

Professional programming. Jesuit values. Successful outcomes. You'll find all of this — and more — when you choose The University of Scranton for your Doctor of Physical Therapy degree. Our dedicated faculty will work alongside you as you pursue a higher level of education at a CAPTE-accredited DPT program.

- Enrolls students that are academically strong, caring and committed to the profession of physical therapy
- Commits to the graduation of entry-level physical therapists who meet the changing needs of the individuals they serve
- Produces graduates that are capable of providing physical therapy services in any setting.

Careers for DPT graduates include positions in health-related facilities such as:

- Inpatient (e.g., hospitals, rehabilitation centers), outpatient, schools, and home health. Specialty
